

Consultant

Closing date: 20 September 2022

Location: Brussels

Hours: Full time

Experience required: 1-3 years

Starting date: October-November 2022

About CLERENS

CLERENS is a leading public affairs and communications consultancy based in Brussels, specialised in advocacy, political and regulatory risk assessment, public funding, and strategic communications.

CLERENS consultants have in-depth expertise in energy, environment, climate, and mobility.

Position Summary

The consultant will support the advocacy and lobbying activities in the field of energy storage. In this context, the consultant will work closely with all the actors supporting the development and the deployment of Energy Storage in Europe.

Main Duties

The Consultant will support the advocacy and lobbying of the consultancy on energy storage in close collaboration with key associations of the sector.

The main tasks include:

- Monitoring EU legislative and policy developments and analysing their implications for the energy storage industry;
- Liaising with the EU institutions and policymakers;
- Drafting position papers, press releases, articles, and reports to disseminate the messages to EU policymakers and media;
- Preparing and participating in meetings with policymakers and trade associations;
- Representing the consultancy in various meetings and events.

Requirements and Competencies

- 1 to 3 years of experience as Policy Officer or Advisor dealing with energy/environment issues;

- Knowledge of the energy storage sector;
- Ability to take initiative, work independently, and plan to meet challenging deadlines ;
- Excellent understanding of EU institutions and policy-making processes;
- Fluency in English is necessary; any additional European languages are an asset;
- A university degree in a relevant field (for example Engineering, Economics, Law, International Relations, Political Science);
- Excellent writing and oral presentation skills; public speaking experience a plus;
- Ability to learn quickly and work on a wide range of issues;
- Leadership skills, ability to work in a close-knit team, flexibility;
- Willingness to travel for work.

We Offer

- The opportunity to work for a rapidly growing association that supports the mission to achieve a net-zero emissions energy system by 2050;
- A challenging, multi-faceted role with room to grow and take on additional responsibilities;
- A stimulating and dynamic international environment.

Please send your CV and motivation letter by email, indicating “Consultant – Energy Storage” in the subject line, to Mr Thomas Otuszewski at jobs@clerens.eu. Applications received after the deadline (12 September 2021) will not be considered.

Be aware that applications are reviewed continuously upon arrival; therefore application as soon as possible is advisable. Due to the expected high number of applications, only short-listed candidates will be contacted for interviews.
