**Closing date for applications:** 22.05.2026

**Location:** Brussels

**Hours:** Full time

**Starting date:** May/June 2026

### About CLERENS

CLERENS is a leading public affairs and communications consultancy based in Brussels, specialised in advocacy, political and regulatory risk assessment, public funding, and strategic communications. CLERENS consultants have in-depth expertise in energy, environment, climate, and mobility.

### Our People

We are a multinational and multilingual team of consultants coming from different backgrounds, sectors, and disciplines. We are committed to offering our clients fresh strategic thinking and excellent networks.

### Position Summary

The Energy Storage Policy Assistant will support the work of the policy team for Energy Storage Europe. With over 70 members from around Europe, Energy Storage Europe serves as the voice of the energy storage community. Its mission is to promote the deployment of energy storage in Europe in order to achieve a decarbonised energy system by 2050.

This internship in the policy team offers a great opportunity to gain valuable work experience in European Union (EU) affairs, energy, and environment issues. Besides learning about energy storage and the energy sector, the trainee will gain insight into association management and will have the chance to work in a dynamic and international team.

### Main Duties:

- Conducting comparative research on EU and Member State policies and regulation in the energy sector;
- Monitoring the latest European news/activities related to EU energy, research and innovation (R&I), climate change, and environment policies;
- Supporting the policy team in the drafting of position papers, press releases, and presentations;
- Preparing for and participating in conferences, workshops, and networking events gathering key EU policymakers and stakeholders;
- Assisting with internal committee meetings and teleconferences; supporting the organisation of Energy Storage Europe Task Forces and Working Groups;
- Supporting the Energy Storage Europe team in its day-to-day operations;
- Performing various administrative tasks.

### Requirements and competencies:

- Strong interest in the EU energy sector;
- University or advanced degree, preferably in the field of Engineering or Social Sciences (Political Science, International Relations, EU Studies, Law);
- Fluency in English (English is the working language of the office; other languages are a plus);
- Knowledge of EU institutions and their workings;
- Ability to take initiative and independently plan to meet deadlines;
- Positive attitude, flexible, team player, sense of humour.

### We Offer

- We offer a traineeship with limited remuneration for a period of 6 months. Candidates must be eligible for a [Convention D'immersion Professionnelle](#) (CIP).
- Possibility to work from home in Belgium 2 days a week;
- A stimulating and dynamic international environment;
- Opportunities to develop skills and understanding of the fast-moving energy sector.

To apply, please send a motivation letter and CV by e-mail in English to Mr Jesse Terry at [jobs@energystorageeurope.eu](mailto:jobs@energystorageeurope.eu), noting “**ESE Policy Assistant**” in the subject line. Due to the expected high number of applications, only short-listed candidates will be contacted for interviews.

**Be aware that applications are reviewed continuously upon arrival; therefore, application as soon as possible is advisable.**
