

# PRELIMINARY PROGRAMME

**BATTERY  
INNOVATION  
DAYS**

## DAY 0 - TUESDAY 10 NOVEMBER

**12:30-17:00**

Site Visit to Vasteras

**12:30-17:00**

Site Visit to Uppsala University

## DAY 1 - WEDNESDAY 11 NOVEMBER

**9:30-10:15**

Official Opening

**10:15-11:00**

What is the State of Batteries in Europe? The Nordic Case

**11:00-11:30**

**Networking Coffee**

**11:30-12:30**

**Plenary**

Which Place for Mining, Refining, and Recycling in the Circle Life of Batteries?

**11:30-12:30**

**Breakout**

Advanced Materials Innovation

**12:30-14:00**

**Networking Lunch**

**14:00-15:30**

**Plenary**

Building a Meaningful Value Chain with International Players

**14:00-15:30**

**Breakout**

The Machines Behind the Cells: From Manual to Autonomous Factories

**15:30-16:00**

**Networking Coffee**

**16:00-17:30**

Innovation at Scale: Making Gigafactories a Success

**19:00-23:00**

Conference Dinner at the Münchenbryggeriet

**DAY 2 - THURSDAY 12 NOVEMBER**

**9:00-10:30**

How to Attract Investors in the Battery Sector?

**10:30-11:00**

**Networking Coffee**

**11:00-12:00**

**Plenary**

Heavy-Duty and Commercial Vehicles: What Are the Challenges Ahead?

**11:00-12:00**

**Breakout**

Maritime Electrification: Batteries at Sea

**11:00-12:00 Press Centre**

Batteries for Electronics

**12:00-13:00**

**Networking Lunch**

**13:00-14:30**

**Plenary**

Powering Security: Batteries for Defence and Strategic Autonomy

**13:00-14:30**

**Breakout**

Innovation in Stationary Battery Systems

**13:00-14:30**

**Press Centre**

Workshop: Reflecting on Industry Trends, Market Dynamics, and Strategic Challenges

**14:30-15:00**

**Networking Coffee**

**15:00-16:00**

Battery Beyond 2027

**16:00-16:15**

Closing Remarks
