

PRELIMINARY PROGRAMME

BATTERY
INNOVATION
DAYS

DAY 0 - TUESDAY 10 NOVEMBER

12:30-17:00

Site Visit to Vasteras

12:30-17:00

Site Visit to Uppsala
University

DAY 1 - WEDNESDAY 11 NOVEMBER

9:30-9:50

Official Opening

9:50-10:10

Industry Keynote

10:10-10:30

Battery R&I Blueprint

10:30-11:00

What is the State of Batteries in
Europe? The Nordic Case

11:00-11:30

Networking Coffee

11:30-12:30

Plenary

Which Place for Mining,
Refining, and Recycling
in the Circle Life of
Batteries?

11:30-12:30

Breakout

Advanced Materials
Innovation

12:30-14:00

Networking Lunch

14:00-15:30

Plenary

Building a Meaningful
Value Chain with
International Players

14:00-15:30

Breakout

The Machines Behind
the Cells: From Manual
to Autonomous Factories

15:30-16:00

Networking Coffee

16:00-17:30

Innovation at Scale: Making
Gigafactories a Success

19:00-23:00

Conference Dinner at
the Münchenbryggeriet

DAY 2 - THURSDAY 12 NOVEMBER

9:00-10:30

How to Attract Investors in the Battery
Sector?

10:30-11:00

Networking Coffee

11:00-12:00	Plenary
Heavy-Duty and Commercial Vehicles: What Are the Challenges Ahead?	

11:00-12:00	Breakout
Maritime Electrification: Batteries at Sea	

12:00-13:00	Networking Lunch
--------------------	-------------------------

13:00-14:30	Plenary
Innovation in Stationary Battery Systems	

13:00-14:30	Breakout
Powering Security: Batteries for Defence and Strategic Autonomy	

13:00-14:30	Press Centre
Workshop: Reflecting on Industry Trends, Market Dynamics, and Strategic Challenges	

14:30-15:00	Networking Coffee
--------------------	--------------------------

15:00-16:00	Battery Beyond 2027
--------------------	---------------------

16:00-16:15	Closing
--------------------	---------
